

**nobody told me**

**i'm sittin' here at home, waitin' for your call, because nobody told me  
that you wouldn't call, 'cause you cannot call  
nobody anymore, that's for sure, yeah  
there is soup, waitin' just for you, because i know that's your favorite  
and i cleaned up the room, i did it just for you, becaus normally you did  
and then actually the phone rings and outside there is sunshine  
and a serious voice says, you won't be home at lunchtime  
and i'm all alone with me (2x)**

**i'm hangin' up, i'm sinkin' down on my knees and i feel like  
the weight of the whole world is comin' down on me tonight  
how could you go without telling me a thing  
no, i won't wait for you for years, i'll see you in the evening  
and then later the phone rings and not even the moon shines  
i can't answer the phonecall, 'cause i'm lyin' dead poolside  
i was all alone with me (2x)**

**i lost what i needed the most, i just can't go out with that lost  
i allready suffered enough, nothing holds me back, i'm off  
i'm off - i was all alone with me...**
